Foreword

Throughout youth, students are continually opening doors—or allowing them to close. Doors to education, to opportunity; doors to progress, to challenge—these doors will open if the knob is turned correctly. At North, the main entrances are a symbol of the challenge that lies beyond the doors of each department. As these doors open one by one, students may see what lies ahead.

THROUGH

The new reflects a contrast with the old.

FACULTY

Efficient operation of the entire school is the primary objective of Edgar W. House, principal of North High. Organization, scheduling, personnel problems, and general supervision are a few of the responsibilities of the administration. As principal of a large high school, Mr. House says that his biggest regret is that he is unable to know all pupils personally

Mrs. Kunkler pauses to refer to her daily schedule

PRINCIPAL

Mr. Edgar W. House taps his approval of a student's schedule.

while Mrs. Poling sorts the mail.

Working closely with the counselors in figuring senior's scholastic averages and credits, lining up the commencement rehearsals, and adjusting schedules are a few of the jobs of Mr. Gordon Harris Vice-Principal. Mr. Harris also arranges for substitute teachers, and assists Mr. House when necessary.

VICE-PRINCIPAL

Mr. Gordon K. Harris diligently counts senior credits.

GUIDANCE

Mr. Milton Beverly's active schedule includes counseling North's boys, directing aptitude tests, and advising Student Council and Student Court.

Miss Mabel Haynes, an indispensable member of North's faculty, has aided many in selecting future vocations and choosing appropriate colleges.

"I want a girl!"

ATTENDANCE

The industrious problems of attendance — absence, tardiness, and truancy—confront Mr. Raymond Budd during each minute of school session. His other obligations require caring for articles misplaced by members of the student body and returning or replacing books.

STUDENT ACTIVITIES

Before every assembly program there is one person seen running here and there making last minute changes and checking to make sure the program will run smoothly. She is Miss Meta Gregg, the student activities coordinator. Besides coordinating assembly programs, she also supervises school elections, serves as a clearing office for plans and meetings of school organizations, acts as Senior Class advisor, and helps students with extra-curricular projects such as speeches.

O K. Now what can I do for you?

Yippee!—The books in...

BUSINESS MANAGER

Mr. Carroll Woodruff's time is always occupied as school treasurer and faculty manager for all major sports activities. He also teaches bookkeeping, coaches golf, and serves as financial advisor for the senior class. For a change of pace, he participates on the faculty bowling team.

Leslie Susi and Bob Richards strike home not only at school, but also on the faculty bowling team.

Faculty members make light the work of bi-monthly grade exchanging.

FACULTY

North High School is proud of its closely-knit faculty. Students observe them hard at work during each hour. Not only do they work well together, but they spend part of their free time having fun together. They engage in bowling, golf and bridge parties. Perhaps the most fun-filled faculty get-together is the annual fall picnic. Our pedagogues also have an end-of-the-year luncheon and several teas with the PTA.

Life is a series of doors . . . doors of opportunity and hard work, and those of love, laughter, and liveliness. These seniors have passed through many of these portals; some easily, others more challengingly. Their diplomas will serve as keys to open many other doors. North is a memory of what they have learned and experienced and will live with them forever.

Regardless of race, creed, or nationality, North High offers the privilege of uniting with many organizations — Science Club, Spanish Club, Mathematics Club, and others to promote intelligence. For the pleasure of serving and aiding others, Y-Teens and Hi-Y open their doors to all. By merging with these and other organizations, pupils become a part of North and its many memories.

Among the highlights of 1960 was the presidential election. Senator John Kennedy, Democrat, and Vice President Richard Nixon, Republican, conducted the longest, most grueling campaign in our history. A series of televised debates were a main feature of the campaign. In a record-breaking photo finish, Kennedy won, carrying only 51% of the popular vote. At North on November 9 there were many exultant faces, but there were also many wearing black.

There are many goals which students may seek during their years at North. Although these goals may not always be attained, each student will progress further during his strife. In academic courses to prepare him for greater learning, in vocational courses to prepare him for his life's work, in sports, and outside activities, he will have an opportunity to grow. The beginning that he makes for himself at North will affect his future life and achievements.

COURTESY OF PUPILS

Although student council is the legislative body of the Student government, it does perform numerous service projects throughout the year. The council added a new money-making project this year, ushering at the Coliseum during the Ohio State Fair. Money from the sale of football programs and from the Booster Drive purchased two new water coolers for the school. Student council also bought a 50-star flag for the stage and a much larger American flag for the athletic field. In May the council sponsored the Memory Lane Prom.

ORGANIZATIONS

BOOSTER CAPTAINS

Annually the North High Boosters sponsor the Polar Bear Booster Drive in conjunction with the Student Council. This year thirty-six students were chosen as captains. Each captain and team was assigned an area to canvass. The result was \$1,200.00 collected for the fight.

HI-Y

The Hi-Y programs during the past year included a speaker from AAA, Mr. Frank Truit, former North High coach, and a joint Easter meeting with the Y-Teens. The main project was the selling of candy for money to contribute to groups in foreign lands. Hi-Y members took part in basketball, ping pong, and swimming meets throughout the year. North Hi-Y representatives attended the Youth-In-Government conferences, which allows city-wide Hi-Y members the opportunity of officiating the city and state governments for a day.

Snapping pictures for the North High Memory Book and Polaris proved a great task for the Camera Service Department.

A staff of twenty Audio-Visual "Aids," under the advisement of Mr. James Grothaus, operated the movie projector, record player, and tape recorder for various classes.

Money for Audio-Visual projects was raised from the sale of pictures.

A camera is no mystery to these boys.

JUNIOR

White Cross, Grant, Alumcrest, Mt. Carmel, and the Red Cross Blood Center have all received volunteer help from the North High School Jr. Red Cross. Members attended a training center at the Youth Building at the Fair Grounds in September. Picnics and a dance held at Valley Dale were part of the social life.

RADIO ARTS

Miss Meta Gregg and her radio classes sponsor most of the P.A. programs for North and had the opportunity of announcing on WCBE at the Board of Education building.

Last October some of the radio class students wrote and produced the Fun Without Destruction skits that were presented to the elementary schools.

Y-TEENS

Building Christian fellowship among girls is the Y-Teen purpose. At the regular meetings, interesting speakers discuss topics related to personal growth and current problems. Links projects enables the girls to serve various community organizations. Orginc is the annual spring prom sponsored by Hi-Y and Y-Teens.

'Let's have Mr. McElroy speak first.'

WORLD FELLOWSHIP, PART OF Y-TEEN PROGRAM

STAGE CREW

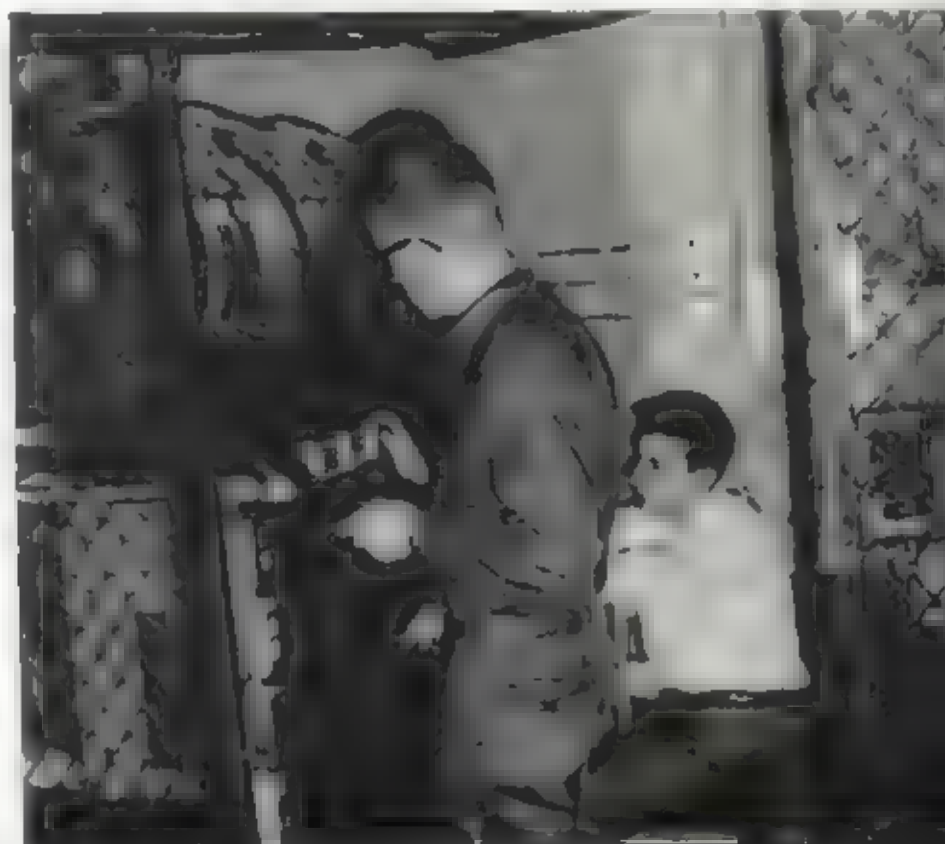

Row 1: J. Fulda, S. Utley (Manager), J. Montgomery. Row 2: D. Barrows, M. Beckman, J. Mitchell, B. Clyburn, B. Smith, Mr. R. Spence

"Stage Crew" is almost a misnomer for the industrious boys who not only handle the "behind the scenes" work on the stage, but also have duties on the athletic field and in the gymnasium. During football and track seasons this group handles the telephone and public address systems on the football field. Many students have seen these boys, clad in cover-alls, crawling along the steel girders to string lights high above the gym floor. Lighting for the dances is just another of the many responsibilities of this group.

A woman's work is never done.

"Work" is the keyword in the main office. There in the heart lies the center of the school operation. The administrative officials and clerks oversee all official business of the school. Many hours pass while preparing pupils' schedules, and many more hours, correcting them. They average grades, count pupil credits, and prepare transcripts of students grades.

Those who work in the main office are often forgotten, but faculty and students agree that without the efficiency of the office, the school would not and could not run smoothly.

How can Special Services ever be repaid for the work they do for North High School? Tests, study guides, daily bulletins, absence lists, play programs, sport programs, and the "Dutch Door," a monthly news sheet directed toward faculty members, are all a part of their daily schedule. This year as another "special service" the girls ushered at the band and orchestra winter concert.

Dishwashing can be fun!

The "galley slaves" of North are organized in an appropriately named group called Cafeteria Club. Its informal meetings take place at Halloween, Christmas, Valentine's Day, and a picnic at the end of the school year. This year, at Christmas, the club presented two baskets of food to a needy family.

STAFFS

These fifteen ladies may well be the most popular in the school, since they see that lunch is cooked and served. They watch a thousand people a day go through North's lunch lines, and when all is once again quieted by the ringing of the seventh period bell, they prepare for tomorrow's busy work. Mrs. Margaret Holt is in charge.

Lunchroom ladies prepare for "chow time."

POLARIS

The planning and production of the North High annual rested in the hands of the 1960-1961 MEMORY BOOK staff. The theme, "doors," important because it gives continuity to the art work, literature, and photography of the yearbook, was an important decision made by staff members. Identifying pictures, keeping on schedule, and balancing the budget were a few of the ample supply of problems.

"Unusual" is the key word to working on a school newspaper. Unusual journalistic lingo, unusual methods of writing, and unusual problems confront staff members. Seeing Richard Nixon, Milton Caniff, Woody Hayes and other famous personalities headlined the many unusual experiences shared by the members of the POLARIS staff. This year was full of surprises, excitement, and fun plus a generous supply of hard work.

Latin skit

COMITIA LATINA

holds students attention.

"Latin Companionship" is the literal translation of Comitia Latina.

Meeting monthly, the second year Latin students heard from speakers who have visited Greece and Italy, and saw slides of Rome and famous cities of the ancient Roman Empire.

Playing games Roman youths might have enjoyed, and eating food Roman women might have prepared, are among the fun Comitia Latina offers. While taking part in this companionship, knowledge and love of the Latin language is increased.

VERGILIAN CLUB

"Learning" is the theme idea for the 1960-1961 Vergilian Club. The club, open to third and fourth year Latin students, started its season with an initiation in which the new members were tested in their knowledge of ancient times. The later meetings dealt with Roman customs and personalities of ancient heroes. The year was climaxed by the election of new officers at a picnic at the end of the year.

GERMAN
CLUB

Christmas proved a gay time for members of the German Club with a party and caroling at homes in the North end of Columbus. More events comprised of two fall spreads and a picnic in the spring.

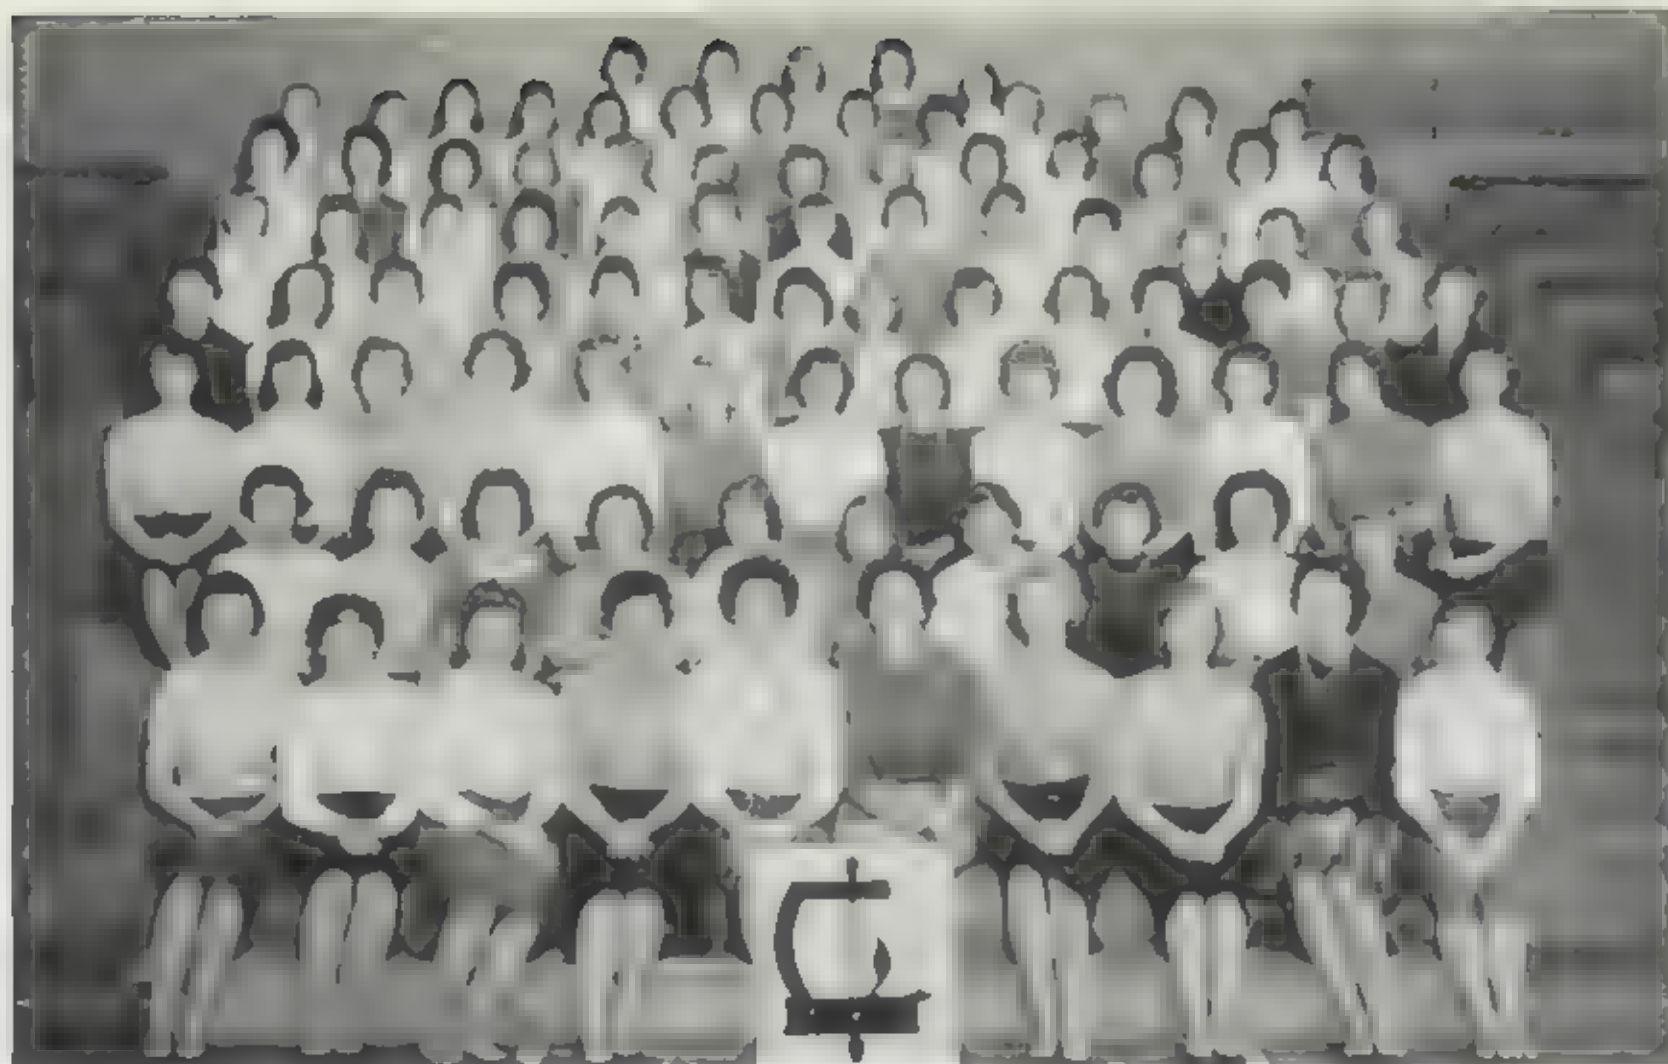

Since several members are Germans or have been in Germany, the club conducts its meetings entirely in the German language.

BETTY LAMP

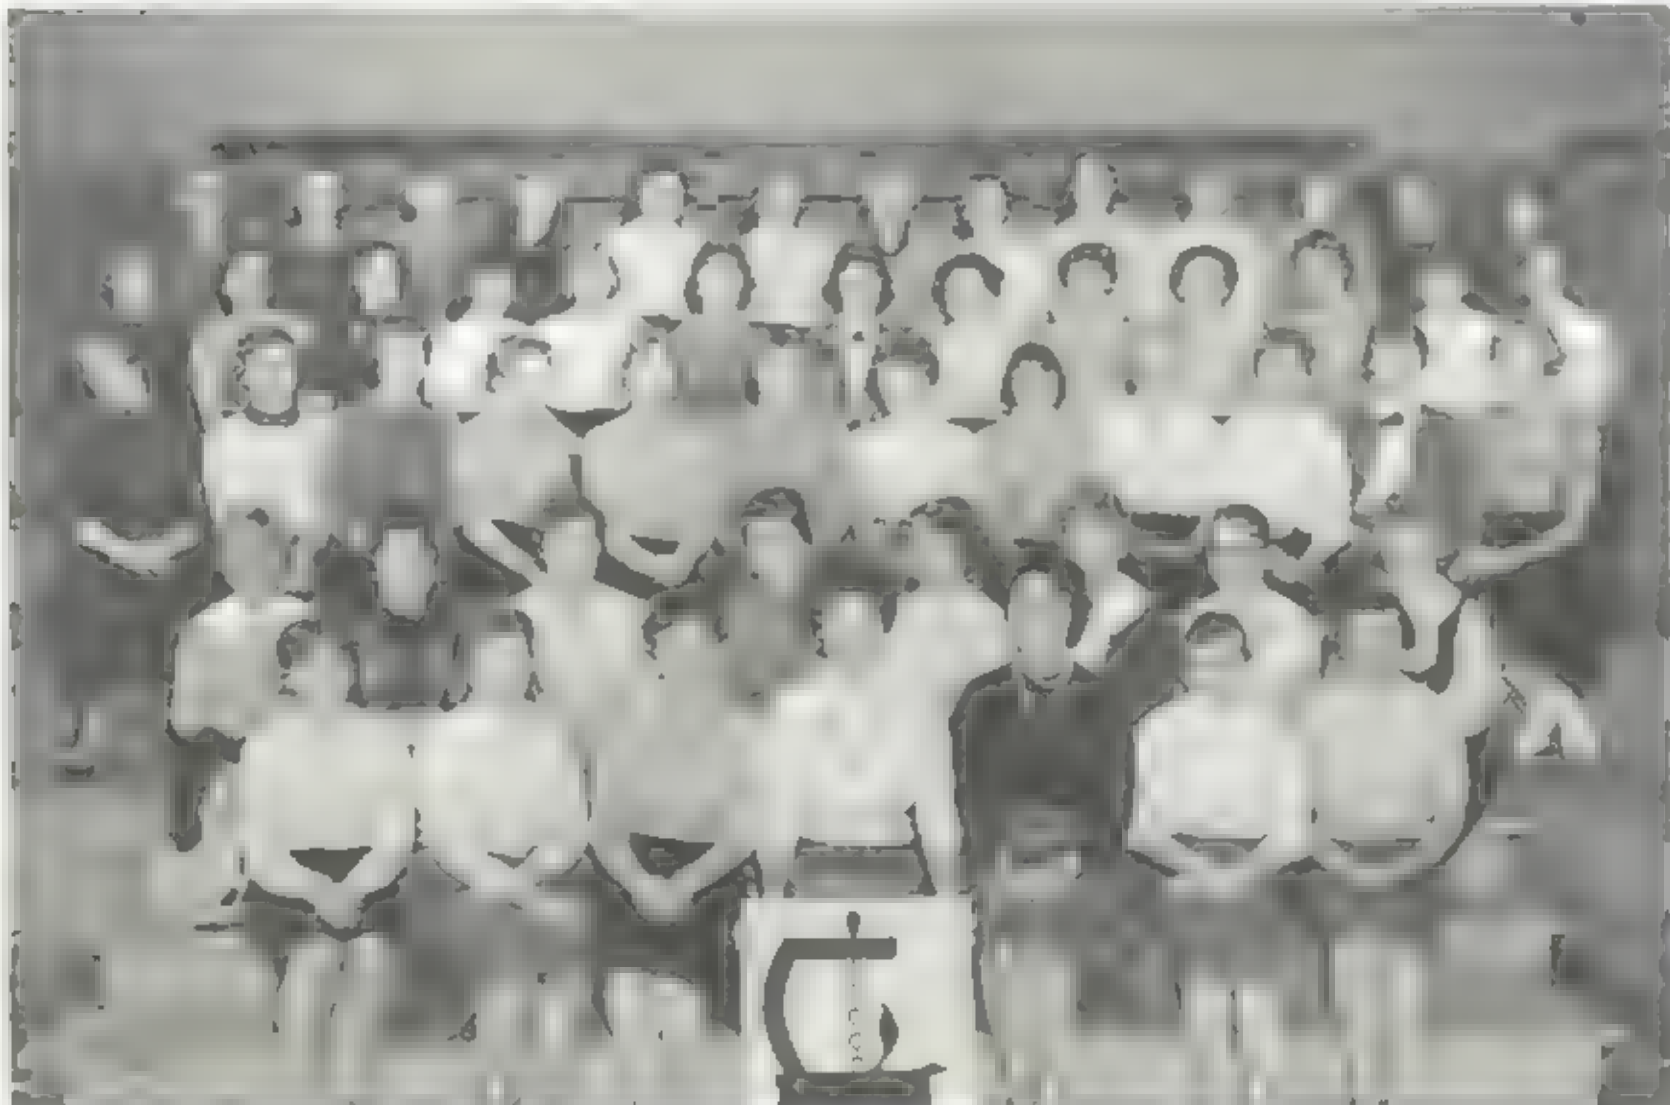

Future Mrs. Americas

Outdoor recreation at the fall picnic, formal and informal initiation, and the annual Saddle Hop provided fellowship and fun for all home economics girls who were members of the Betty Lamp Club. This year an educational film was presented at one of the meetings, several speakers talked before the group, and one outstanding meeting was the social program.

the love of beauty

Giving a broader view of art and acquainting members with some of the artistic enterprises are among the many activities associated with Marigale Art Club.

Speakers at several meetings offered information concerning various fields of art. Among the fields covered by the speakers were contemporary art, interior art, and college fashions.

"I keep telling you what a good architect I am!"

BIBLE CLUB

"I am the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture." John 10:9

The Bible Club meets each morning before school, under the sponsorship of Miss Elizabeth Wood. These morning meetings are devoted to singing choruses and studying portions of the Scripture. Because the group is small Matthew 18:20 fits it. "For where two or three are gathered together in My name, there am I in the midst of them."

"The Book Club wants you!"

The Book Club program was highlighted by Miss Hume, assistant librarian at the Clintonville Library, who informed the members of the recently published books available in the library. As a service project, Book Club donated twenty-five dollars to the school library for purchasing books.

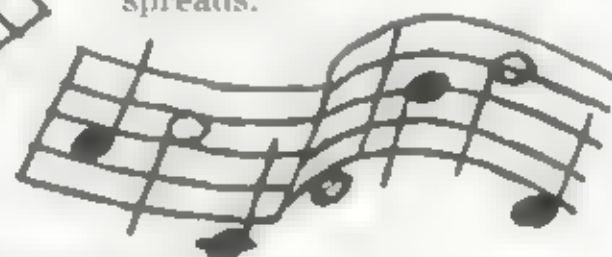

'Ho Ho Ho It ISN'T a pillow.'

CLEF CLUB

Giving was the fruitful work of Clef Club. The members gave a Thanksgiving dinner to a needy family and presented a Christmas tree and canned foods to another family in need.

For a money project, the members sold gloves to members of the marching band. From this money came several parties, as well as interesting programs at the spreads.

MATHEMATICS CLUB

" $2x + 0 = 1$ win, you lose."

Topics such as Logic Problems, Special Geometric Problems, and General Mathematics Brain Teasers were discussed by the Mathematics Club members as they prepared for test sponsored by the High School Mathematics Association of America and the Society of Actuaries. The Mathematics Club officers worked closely with the advisor, Mr. Smart to present an interesting program for this year.

Boil, boil; toil and trouble

Doing, rather than listening, was the Science Club's theme this year as they covered chemistry, physics, electronics, and geology along with other subjects in study groups. The members also conducted a square dance following the North-South football game.

North another first!

What? No good!

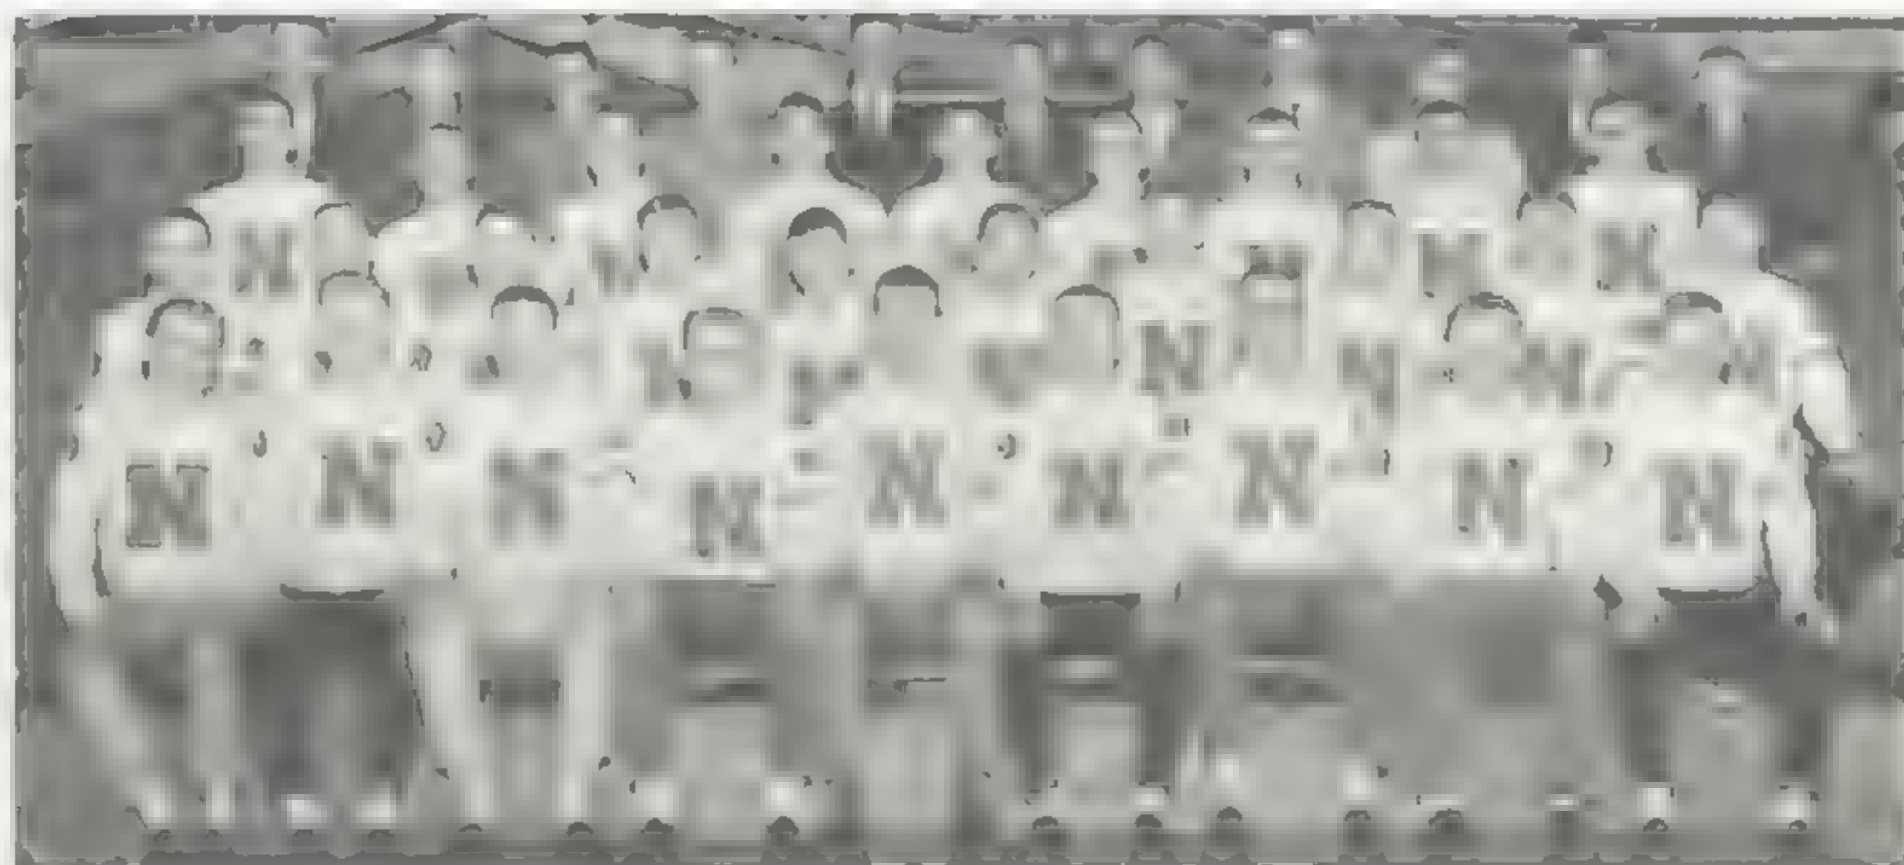

A new sight sitting in the stadium during the 1960 football games was a newly formed organization called "Block N." The purpose of the cheering club is to encourage the squad to victory and to boost the lack of school spirit.

Students clad in Maroon capes sat in the formation of an "N" while the white background was composed of a host of students wearing sheets around their shoulders. During the course of the season, the 120 "old faithfuls" took part in every home game and also traveled to Linden.

Perhaps the best known group of the instrumental department is the Marching and Concert Band, due to the exposition they get during football season. Made up entirely of brass and winds, the band shifts from the crack football band of this area into a symphonic but also swinging concert band. During football season they moved by bus to Lancaster and Springfield where they received warm receptions. Winter Concert, midyear commencement, District and State Contests, and the Spring Concert were among the other activities.

Competition with other high schools in speech tournaments and student congresses kept the speech team occupied during the 1960-61 season. Each Saturday from December to April, North speakers competed with other schools in the following events: oratorical declamation, original oratory, humorous declamation,

dramatic interpretation and extemporaneous speaking. Highlights of the season included the tournament at Cincinnati, where North took first place in all but two events, and the student congress in Dayton, where North speakers won president of the senate, speaker of the house, and outstanding speaker of the day.

Public speaking and developing poise are two of the many aims of the National Forensic League. Being an honor organization, membership in it is awarded to members of the speech team who are good school citizens, scholars, and have earned a sufficient number of N.F.L. credits. These credits are awarded in proportion to how well a speaker performs in a contest.

Hard work earns results

As a climax of the season, North claimed a place in the state finals and made bids against old rivals. The high point for the Polar Bear thinclads was their taking first place in the Worthington relays. The 1960 season proved a success not only for the cross country team but also for North High School.

FOOTBALL

The 1960 edition of North High Football was spirited, but, lack of weight and power robbed the Polar Bears of a winning season. With a dominating senior line and a junior laden backfield, the team was versatile. This year's offense equipped the team for a passing game with a split left end and a split or set right halfback. This was novel for North and proved effective for the last half of the season.

FOOTBALL

North player misses pass, flows top

Starting their season, the Bears lost a non-league game to Central a substitute for the preview game usually held every year between four City League schools. After losing to the powerful teams, Lancaster and Springfield South, North played their first league game with Aquinas, who came out on top by one touchdown.

Homecoming, held early this year, saw the Polar Bears lose to Zanesville, 21 to 0.

The Bears returned to the City League race with their next opponents being a powerful Linden McKinley team. North received a second half spark which helped them to score 18 points, but this was not enough to win the game.

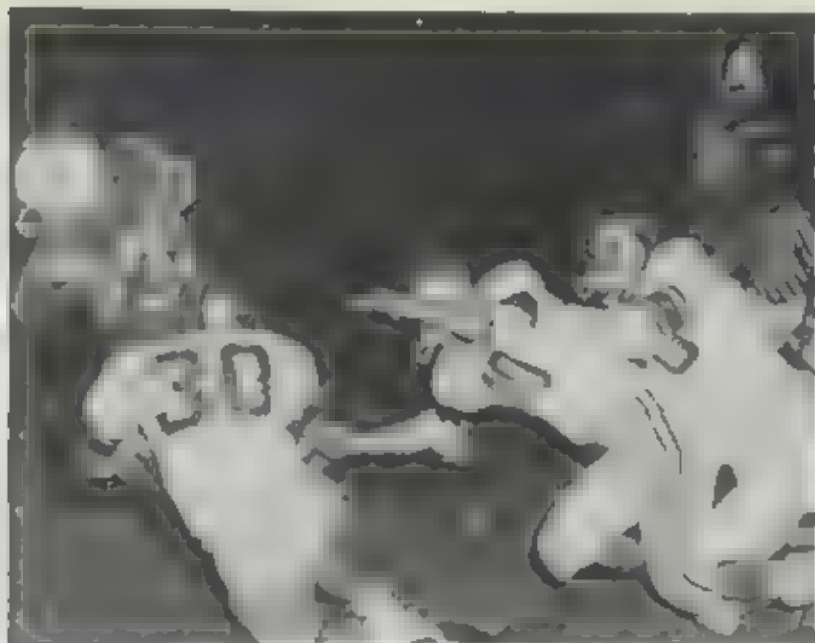

With the spectacular passing of Jim Kremer, the Bears built up a 37 to 0 lead over the East Tigers and won back the "Little Brown Jug" from East who had held it for two years.

Chever sleeps while Shepard tackles

The 1960 team will forfeit seniors: George Hite, Jim Kremer, Scott Lent, Mike Schwarzwald, Mike Chever, Pat Burns, Dieter Decker, Jim Eyster, Jorgan Mayer, Fred Linville, Frank Shearer, Tom Wonderling, Larry Dorris, Delbert Penn, Gary Schaal, and John Payne.

The Polar Bears team wound up the season with a record of 2 wins against 8 losses. In City League play, the Polar Bears won 2 and lost 4.

FOOTBALL

Polar Bears close in for the kill

The following week the Maroons clobbered Marion Franklin by their largest score of the season, 53 to 0. Again it was passing that helped win the game for North, but credit should be given to the defensive unit for holding MF scoreless.

Eastmoor and South proved to be the games that would make or break the Polar Bears. North was leading 7 to 6 at the end of the first quarter in the Eastmoor game, and at the end of the first quarter of the South game the same thing held true. During the two battles, the Bears lost something more than the game—morale.

Most Valuable and Team Captain awards were given to Fred Linville, a guard, who has shown outstanding play throughout the season.

Even with a losing season the football players learned sportsmanship and teamwork, which are the two essentials of this sport.

BASKETBALL

Teamwork, hustle, and good shooting were the watchwords of the 1960-61 Polar Bear basketball team as North accumulated a 10-7 record for the season. North defeated Worthington on Nov. 25 by the score of 68-53. Watterson was no match for the speedy Polar Bears as the North High Five won 88-56. Linden spoiled North's winning streak but the Bears rallied to beat South 52-51 in the closing seconds of the game. Central, Newark and Middletown presented North with a three game losing streak but North broke the slump on Jan. 6 when the Bears came from behind to beat East 62-61. George Underhill and Bill Halley were the mainstays in this exciting victory. West, Eastmore, Marion Franklin, Aquinas, and St. Charles became victims of the Bears as North continued its 6 game winning streak. Linden finally broke the string with a close victory but North, led by Bill Halley and Charley Brysen, then beat Central for their tenth win of the season.

GIRLS' SPORTS

Intramurals is a favorite after school activity for many North High girls. Participation in the four sports of speedball, basketball, volleyball, and softball is open to all interested girls. BALL

"I've got it!" and "Spike that ball!" are common exclamations heard from the girls' volleyball intramurals. These games of skill, screams, and spikes are played every Thursday and Friday night after school. Not only do the girls enjoy the games, but so do the boys—watching that is. At the end of the volleyball season the GAA's choose class teams, and there is a play-off among the three classes.

BASEBALL

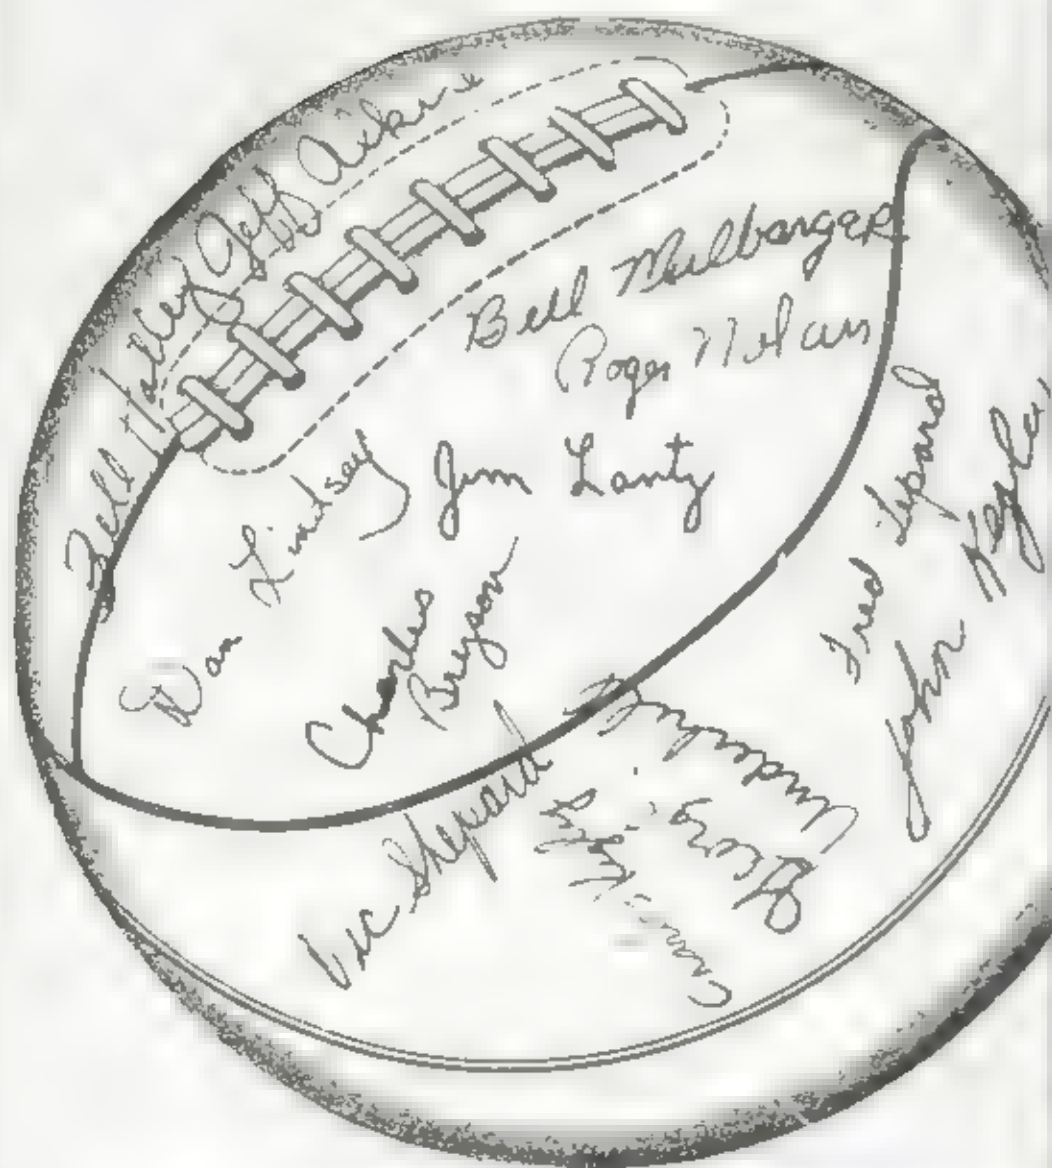

Jeff Brown shows 'em how it's done

In trying to repeat last year's success as City Champions, North's baseball team found the job rather difficult. With returning lettermen, George Hite, Jim Lantz, Jeff Brown, Tom Shockley, and Jim Saltsman, the job was considerably easier. Much was expected from Bill Mulbarger, Steve Pierce, Vic Shepard, and Mike Schwarzwald. There was much rebuilding to do and by the time of the first scheduled game Coach Eaton had a well-seasoned ball club.

Hite outjumps Mulbarger.

The line-up: Vic Shepard, Steve Pierce, and Jim Tootle.

North, although not having an organized wrestling team, sent two candidates, Jim Eyster and Bob Rice, to the Ohio High School Wrestling Tournament and won high honors with Eyster, a senior, taking third place in the state in the 154 pound weight class. Out of the 180 schools in the tournament North was 20th in the final standings. Rice was defeated in one of the earlier matches.

Girl's Story of Life in Switzerland Enacted Under North Stage Spotlight

There is a story of a girl who lived in Switzerland. Frank decided to send a letter to her. The story is about a girl who lived in Switzerland. Mr. Otto Frank, the only member of the North Stage, is the only member of the North Stage. This makes one more living in Switzerland. In the letter, the girl says that she is all of a sudden of luck. The story of being able to go to school.

Unanimous Vote

Eleven Teacher Committee Cancells Bi-Annual Operetta

by Vicki Bull

The committee of eleven teachers has decided to cancel the bi-annual operetta. The committee members are: Mr. Otto Frank, the only member of the North Stage, is the only member of the North Stage. This makes one more living in Switzerland. In the letter, the girl says that she is all of a sudden of luck. The story of being able to go to school.
